AP WIDE CLIP
Mounting Template

This template may be printed and used to check for correct length, width and hole alignment. If your web browser does not print the template to scale you will need to download the file and open it with Acrobat Reader, then choose "actual size" as your print option.

*The AP Wide Clip can be used with 1.5" or 1.75" wide belts up to 3/8" thick.
**Mounting block holes accommodate a standard 8-32 screw & post
